OilFormula

Company Profile

DIRECTOR'S DESK

Muhammed Halima Enioluwafe,
Managing Director,
OilFormula

Muhammed Halima is a seasoned C Level professional with over 16 years of experience spanning the Telecoms, NGO and Real Estate industries. She brings a wealth of knowledge in Sales, Customer Service and Operations Management, making her an insightful and dynamic leader at OilFormula. Halima is recognized for her ability to drive business growth through innovative strategies, employee motivation and strong policy enforcement.

Under her leadership, OilFormula has embraced cutting-edge technological advancements while remaining committed to sustainable practices and environmental stewardship.
Her passion for solving industry challenges and improving operational efficiency aligns with the company's vision to deliver sustainable and reliable energy solutions.

Halima is also deeply committed to job creation and community impact, ensuring that OilFormula plays a significant role in both local and global economies. Her proven track record of exceeding sales targets, cultivating business opportunities, and fostering investment reflects her dedication to excellence. Halima's vision for the future of the energy sector combines financial profitability with environmental sustainability, positioning OilFormula as a key player in the evolving landscape of oil and gas.
